Prevent Products from being Purchased Under Specific Conditions

OrderWise Ref:	50619
Menu Option:	Admin Settings Products & Categories Product Details <ul style="list-style-type: none">• Is Not For Individual Purchase Analysis Field• Is Direct Item Analysis Field• Is Cannot Purchase With Direct Item Analysis Field Admin Configuration Translations <ul style="list-style-type: none">• basket_remove_direct_and_cannot_purchase_with_direct_items• checkout_middleware_direct_item_conflict_removal• basket_why_cant_add_direct_conflict• is_not_individual_purchase_item
Status:	New Development
Platform:	Trade Portal & Layout Editor
Licensed Feature:	No
Detail:	If a Product has the 'Is Not For Individual Purchase Analysis Field' enabled, that Product cannot be purchased on its own in any quantity. It must be purchased alongside another Product. If a Product has the 'Is Direct Item Analysis Field' enabled, that Product cannot be purchased alongside a Product with the 'Is Cannot Purchase With Direct Item Analysis Field' enabled. When Users try to purchase Products under the incorrect circumstances, error messages will appear. They can be changed using the translations specified above.

Postcode Required when Entering Ireland Address

OrderWise Ref:	55893
Menu Option:	N/A
Status:	Enhancement
Platform:	Trade Portal & Layout Editor
Licensed Feature:	No
Detail:	If Users enter an address and set the country to 'Ireland', the postcode is required.

Videos Displayed on Product Page

OrderWise Ref:	53517 & 53518
Menu Option:	Admin Configuration Translations <ul style="list-style-type: none">• modal_dismiss• modal_header OrderWise Stock Variant Record More [tab] Listings [tab] Web Shop [tab] [Add/Edit] Videos [tab]
Status:	New Development
Platform:	Trade Portal & Layout Editor
Licensed Feature:	No
Detail:	When syncing Products from OrderWise, data from a Web Shop record's 'Videos' tab is also exported. Any videos against a Product will appear on the Product page. When the placeholder image is clicked, a modal appears that allows the video to be viewed. Text in the modal can be changed using the 'modal_dismiss' and 'modal_header' translations.

Delivery Extras and Dates

OrderWise Ref: 53481
Menu Option: Admin | Settings | Orders & Despatch | Order Import

- Required Date Import Field
- Delivery Time Slot Order Header Analysis Field

Admin | Configuration | Delivery Methods | [Edit]

- Extras
- Terms & Conditions

Status: New Development
Platform: Trade Portal & Layout Editor
Licensed Feature: No
Detail: Delivery dates can be selected using the calendar that appears, when selecting a Delivery Method which has the settings configured. Alongside this, 'Extras' can be selected for example if the Customer wishes to have the item delivered in the AM or PM. Terms and Conditions can also be added to a Delivery Method and must be accepted to continue with payment.

Upsell Products Displayed during Checkout

OrderWise Ref: 53484
Menu Option: Admin | Settings | Checkout & Basket | Checkout

- Checkout Upsell Products

Admin | Configuration | Translations | Checkout Upsell

Status: New Development
Platform: Trade Portal & Layout Editor
Licensed Feature: No
Detail: Using the 'Checkout Upsell Products' setting, multiple products can be selected that can then be shown during the checkout process. When the User first accesses the checkout page, a modal will appear that displays all the upsell products. These can then be added to the basket before continuing with the checkout process. Some of the modal text can be changed using translations.

Points Pricing Wallet

OrderWise Ref: 55506
Menu Option: Admin | Settings | Stock & Pricing | Points

- Use Points Based Pricing

Admin | Customers | All Customers | [Edit] | Wallet [tab]

- Points Balance
- Valid From
- Valid To

Status: New Development
Platform: Trade Portal & Layout Editor
Licensed Feature: Yes (Wallet)
Detail: When 'Use Points Based Pricing' is enabled, standard pricing will not be visible anywhere on the site. Customers will be able to purchase items using their 'Points' which can be assigned in the Admin 'Wallet'. With this Licence enabled, some areas will not be available for use such as, Reward Points, Quotes and Gift Cards.

Calculate Required Product Quantity

OrderWise Ref:	53479
Menu Option:	Admin Settings Products & Categories Volume Calculator Admin Configuration Translations Volume Calculator Layout Editor [Add Block] <ul style="list-style-type: none">• Volume Calculator Layout Editor Available Layouts Product Pages Product Page <ul style="list-style-type: none">• [Add Product Attribute]<ul style="list-style-type: none">○ Product Volume Calculator• [Add Block] Product Details Settings Content<ul style="list-style-type: none">○ Volume Calculator
Status:	New Development
Platform:	Trade Portal & Layout Editor
Licensed Feature:	No
Detail:	If a Volume Calculator is added to a page, the User can enter length, width, and depth values so that multiple other values can be calculated that specify the required quantity of a Product. The names of the values can be changed using the translations in the above mentioned section. The weight per single unit, weight per case, etc. are specified in the Admin settings. Those values can be overridden on a per-product basis using the Product analysis fields that are synced from OrderWise.
